

Engineered Landscaping Solution Business for Sale Hervey Bay QLD

For Sale

Location: **QLD**
Asking: **\$4,900,000**
Type: **Services-Other / Services-Home/Garden**

Includes freehold with home and 40 acres of land Fraser Coast

- * Play Bark & engineered soft fall materials, certified for playgrounds, under surfacing & resurfacing, soft fall materials preventing injuries
- * Compost materials organic based for all soil mixes.
- * Supplying all these products & more to Local Councils, kindergartens, schools, garden supply industries, Nurseries across multiple regions
- * Considered the best soft fall materials in the market place meaning very little marketing is needed.
- * Only 1 owner works in the business with extremely good staff in place to continue the huge success of this business. Including a manager or all logistics
- * Agreements in place for supply of product as it is all classed as a waste product. So this business also solves many problems within the industry. Eco friendly as it is recycled, waste product from the sawmilling industry.
- * Great Plant & Equipment comes with the business approx. value of \$750,000
- * The Freehold premises is included in the purchase, 40 acres of land with a 3 bedroom home, large dam ensuring great water supply.
- * All EPA licenses & certifications in place with land classed as rural/commercial
- * Current partners have owned the business since 2004, now wanting to retire.
- * With owners earning well over the million dollars yearly this opportunity is not to be missed.
