I.T Recycling Business For Sale - Melbourne \$3.25 Million

Revenue Turnover over \$4M plus P.A.

Biz Sales Ready is proud to present to the market the sale of such a unique I.T Recycling Business. A rare opportunity to own such a highly rated and extremely profitable business specialising in the refurbishment & recycling of laptops, I Pads and computers then re-sold back to the market to schools and other businesses across Australia.

Business successfully trading for 10+ years with continued and escalating records.

Australian owned and operated in Melbourne's South Eastern Suburbs.

This unique business is very profitable in such a niche sector with minimal competition.

Full financials are available for genuine enquirers.

Vendor offers training, support and assistance as needed for a smooth transition.

Don't miss out on this very lucrative opportunity.

Price: \$3.25 Million - Genuine enquiries only

All enquirers will be vetted & must sign a NDA before any business information is provided.
