ONLINE BUSINESS KIDS SOFA COVERS AND BACKPACKS, 1 OWNER WORKS 10 HOURS A WEEK

An outstanding online business opportunity which is set up and run in Australia with every aspect for growth in place.

A unique name well thought through, which directly aligns with the kids sofa covers and backpack they sell. With 1 owner working approximately 10 hours a week. no leased premises, this is truly a work from home opportunity.

Everything is included in this sale, a fully functional shopify website with clear stock and ordering processes, all customer lists and marketing emails, social media accounts with over 17,000 Instagram followers, and of course suppliers details and supply costings.

This is the first online business to offer kids flip out sofa covers with the offer to personalise embroidery if desired. Also selling bags and backpacks, these items are very low cost and the margins are excellent.

The vendor is selling due to family commitments, and this really is an excellent chance to enter the online space with everything done for you. Just buy the business and take over. It is primed for new growth and opportunities but just needs the right buyer to do this.

This business is very well put together and well organised for a sale. All financials are with the listing broker, selling for \$65,000 plus stock and a generous handover by the vendor. For more information please contact the listing agent.
