A prime opportunity

This business presents a prime opportunity to acquire a well-established business specialising in wellhead maintenance and services for both onshore and offshore oil and gas operations. The business boasts a team of expert technicians, equipped with specialised maintenance and well services equipment tailored to the unique demands of oil wells, backed by a range of purpose built premium lubricants, sealants, and flushing products. The business offers comprehensive well integrity testing and maintenance programs to ensure peak performance and longevity for the client. Over the years, the business has earned the trust of numerous Oil and Gas Operators, with many long-standing client relationships highlighting the reliability and expertise of the business.

Strategically located in Perth, the business is staffed by a dedicated team of professionals, including experienced managers, technical experts, and administrative support. Intellectual know-how has been developed for the wellhead maintenance service, testing and maintenance programmes, and in developing its own range of purpose-built products. Furthermore, completed past client jobs already on file provide significant cost and knowledge advantages.

The business has a long trading history and is of good scale and could be suitable for someone wanting a standalone venture ready for expansion or, an aligned business looking to diversify their service offerings. It may also suit an Eastern States based company look for a strategic foothold in Western Australia.

Expressions of Interest Invited - circa \$1.5 Million
