

E-Commerce & Distribution Business for Sale Tweed Heads NSW

For Sale

Location: **NSW**
Asking: **\$220,000**
Type: **Wholesale/Distribution / Retail Other**

Exceptionally Setup E-Commerce/Distribution Business

Exceptionally setup e-commerce/distribution business of a true "Aussie" niche clothing product, ready for growth. Long trading history with fully systemised sales operations ready for new owners to take over. Operating worldwide customer base both B2C and B2B.

This business is impeccably well set up to scale and with a proven business model with a great track record and major sales channels on Amazon, eBay, Google and Pinterest.

With humble beginnings as a hobby business, it became a legitimate home based business that now boasts over 13,000 customers worldwide on its database and over 290 wholesale customers around Australia.

With all the structure in place for both supply chain and sales systems this business presents as a terrific opportunity for an existing e-commerce/distribution company to acquire operations and "plug into" their existing business. With this acquisition method, an acquiring company would benefit from absorbing the current revenues and gross profit of this business directly onto their bottom line along with providing themselves access to a strong database of new customers to sell other existing products into.

Some features of this great small business opportunity:

- Very low overheads to absorb this business into existing operations
- Large database of customers
- Consistent sales history
- Strong Shopify website with automated sales functions
- Long history of great SEO ranking
- Sales channels on Amazon, Ebay Google all setup
- Simple pick n pack system
- A true "Aussie" icon product that is primed for international sales opportunities
- Long term supply chain established
- Simple business model ready for growth
- Easy acquisition for existing e-commerce to take over operations

Sale price \$220,000 Plus SAV (approx \$150,000)
