Opportunity to Acquire Medical Online Learning

This is an extremely rare opportunity to acquire a niche online eLearning platform, uniquely positioned within the Australian medical sector.

With minimal owner involvement (just 2 hours a week) the business generated a profit of over \$130,000 last year. No medical knowledge or technical experience necessary!

Key points:

- Complete turnkey opportunity with stable earnings
- Integrated payment system and custom built website
- Monthly and annual memberships
- Well recognized brand with exceptional reputation and no other competitors with the scope of this service
- No specific qualifications or experience required to operate
- Consistent new customer base every year
- 100% online so can be operated from anywhere in Australia or the world
- Very high profitability with minimal expenses
- Plenty of room for growth with marketing and additional development of course materials if desired

This platform is an ideal acquisition for an existing medical training group looking to expand, an entrepreneur eager to scale a proven business model, or an owner-operator looking to enjoy supplementary income with minimal effort.
