Café and function venue operating 4 days a week South of Brisbane #5715FO

This business is going gangbusters since new management was introduced late last year. On current trends this business will pay itself off in less than a year.

It is not located in Brisbane. It is about an hour and a quarter drive south-west of the Brisbane CBD. The current owner lives in Brisbane.

It has a licenced bar and operates as a café, coffee shop and function centre.

It opens 4 days a week with no restriction to opening further hours.

The business has been recently renovated and the kitchen and bar facilities are first class.

This business is unique in its other offerings and an integral part of the community in which it sits.

Turnover is well over a million dollars a year with plenty of profit for an owner.

It has the potential to be a managed business with staff on board capable of stepping up to operate the business for an overseeing owner.

It is worth a visit to take in all the opportunities this business has to offer a new owner.
