

Building and Design Business for Sale Melbourne

For Sale

Location: **Melbourne**
Asking: **\$299,000**
Type: **Services-Other**

Long time one owner - open to serious offers - EBS

A great time to move into a well established building and design company.

High profile location in the eastern suburbs with a long standing team of staff.

Current services offer are:

Advice on site selection and development feasibility.

Concept options and design planning.

Formulate designs through detailed sketch and presentation strategies.

Planning documentation and co-ordination of Council applications.

High quality Building Permit documentation and co-ordination of the consulting team.

Assistance with tendering and construction processes when required.

High turnover with good cashflow.

New owner will have a great opportunity to expand with more online advertising and promotion as currently the business relies on referrals.

Flexible lease options on office or could be relocated to new location.

Sale Price \$299k Open to hearing offers and
Some payment terms maybe considered.
