Generating Lots of New Business - Motivated Sellers
Ready to Go Turnkey Opportunity - Start Earning from Day One!

Are you ready to be your own boss & step into a thriving business that offers financial security and lifestyle flexibility, from the get-go? Look no further!

The motivated sellers behind this thriving business believe it's perfect for a single operator or a dynamic husband-and-wife team eager to secure their financial future. Additionally, there's an opportunity for a skilled business manager to lead and expand operations and bringing in a driver for the truck.

Thanks to a strategic business model, we've established a seamless process for serving a multitude of customers. By leveraging trusted sub-contractors, we've created an additional revenue stream, earning a handsome commission for just taking a booking. Our sub-contractors are in high demand, thanks to our meticulously crafted advertising campaigns and SEO efforts, driving a steady influx of new clients each day. So much so, that our truck and all sub-contractors have been fully booked for past and upcoming weeks.

Over the past three years, we've achieved an impressive \$2.1M in trading income, delivering an exceptional return of over \$700,000 to the owner. But that's not all there are exciting opportunities on the horizon to further expand the business and boost profit margins for the right motivated buyer.

Don't let this rare opportunity get away. Contact us today for more information and take the first step towards your entrepreneurial success!
