Profitable Business. This is a fast-growing and successful independently owned business which is part of a National Franchise.

2024 Revenue increased by $166,000 / Net Profits up $164,000

This is a fast-growing and successful independently owned business which is part of a National Franchise.

The business specialises in Pumps, Irrigation, Plumbing, and Filtration, for domestic, commercial, and agricultural sectors, providing a comprehensive range of products. The business is part of a Franchise Group comprising 60-plus stores across Australia and New Zealand.

A new owner would not need knowledge of the industry, however, experience in business operation and management would be beneficial, all the operational knowledge required comes with the skilled and practised employees.

Their talents and expertise are utilised by clients to design, supply, install, and service systems to suit each client.

The business offers clients extensive services covering all their water and waste management needs:

* Irrigation Systems

* Pump Systems

* Rainwater Harvesting & Storage

* Fire Fighting Equipment

* Hose, Fittings, Valves & Pipes

* Filtration & Water Treatment

* Solar Powered Pump Solutions

* Stock watering solutions

* Dams, Ponds & Water Feature

* Pressure Cleaning Equipment

* Spray Equipment Products

* Pool & Spa Products

* Plumbing Solutions

Franchisee Benefits:

* Volume buying through network strength

* Business Systems
