

# Solar Energy Install Business for Sale Melbourne

## For Sale

Location: **Melbourne**  
Asking: **\$190,000**  
Type: **Services-Other**

### Jims Master franchise. One half of Victoria

To be clear this opportunity is for ONE half of Victoria.

This is for the Western side of Victoria.

It is a massive region with millions of potential customers

Great business model in an industry that is booming in the GREEN sector.

Massive growth potential by selling more Franchisee's solar installation businesses, which will generate a great income.

You are in control, looking after and advising Franchisee's, offering support and also all of the marketing aspects, generating massive leads in this industry

You will be trained in all areas of management, and on the the best solar panels and inverters in the market.

It is your choice to pick from any suppliers you choose. But support is offered if you choose.

The business comes with a great reputation, as they always recommend brands that can deliver the best performance for their solar systems, and advise on which ones to avoid.

The Franchisor of Jims Energy will get the best deal for solar panel systems, also combining value and performance to an end users.

The work is in the initial stages of selling and setting up Franchisee's, then it becomes an easier business model to manage.

This business is established now, and a great base to launch from.

Call to discuss this great business opportunity and future growth in this booming industry.

Electricity is becoming excessively expensive, and this industry slots in the perfect solution.

Many government grants are available to end users, and a 7 Star energy rating is coming for ALL new homes being built soon.

This is new Government regulations, and will prosper this industry.

Call Michael NOW !!! to discuss this great Solar Energy Business Model on 0400 645 133 - or submit an enquiry.
