Consultancy Firm

Rare opportunity to acquire a well established and thriving Labour Hire and Recruitment Consultancy Firm, offering a full spectrum of services since its inception. The business excels in delivering comprehensive human resource solutions, including permanent, executive, and temporary recruitment, payroll services, industrial relations (IR) consultancy, and employee training programs.

With a robust track record and a dedicated team of professionals, this firm has a strong presence in the Sunshine Coast and Brisbane, and serves clients across Australia.

Highlights

- Stable annual sales exceeding \$3 million in recent years, with notable profitability exceeding \$400,000 in FY24.
- Strong market presence supported by over 35 years of successful trading.
- Skilled professionals with deep expertise in recruitment and HR consultancy, providing high-quality service to clients.
- Diversified income streams including Labour Hire / Temps, Permanent Recruitment, Payroll and HR Consulting services, each contributing significantly to overall revenue.
- Broad range of clients across various industry sectors, ensuring a diversified and stable revenue stream.
- Proven framework for scaling operations, including the potential to add new service lines or expand geographically.

The business is currently offered for sale at \$1,250,000, providing an impressive return on investment of 36% based on an annual SDE of \$450,000 for FY24. Interested parties are encouraged to inquire for more detailed information and to explore this exciting opportunity. For further details, please contact us to arrange a confidential discussion and discover how you can take over this successful venture.
