Acquire this Government-Certified Gem!

Ready to Dive Into Success?

Here's your chance to own a thriving fabrication business with an impeccable reputation. This established venture comes with a prestigious government certification and a coveted "A Class" client list, making it a lucrative investment for those seeking a turnkey operation.

Proven Excellence in Fabrication

Take the reins of a business known for its unwavering commitment to quality and precision. This business' track record speaks for itself, with satisfied A-Class clients who have consistently chosen this business for their fabrication needs.

Unlock New Possibilities with a Brand-New Laser Cutter

Stay ahead of the curve with our state-of-the-art laser cutter, providing an expanded range of services. This cutting-edge addition enhances the business's capabilities, ensuring a competitive edge in the market and attracting a broader clientele.

Trusted by Governments - Local and State

Positioned as a go-to fabrication company for both local and state governments, this business has secured its role as a reliable partner for government projects. Benefit from a steady stream of projects and establish a solid presence in the public sector.

Defend Your Investment - Products for the Defence Department

Diversify your portfolio by acquiring a business that contributes to national defence efforts. With a history of supplying high-quality products to the defence department, you'll be part of a critical industry while reaping the financial rewards.

Lead the Industry with a Recognised Name.

Step into a leadership role in the fabrication industry. The business's reputation as a leader in the field opens doors to lucrative opportunities and ensures a prominent position in the market.

Don't miss out on this rare chance to own a government-certified, A-Class fabrication business with a brand-new laser cutter.
