Established since 2015, this Medical Aesthetic Clinic is located in the prestigious Eastern suburbs of Adelaide SA.

This stylish and sophisticated clinic offers a wide range of cosmetic services, including medically prescribed skin health programs, advanced skin treatments, IPL, skin tightening, Ant-Wrinkle injectables, Non-Surgical Skin Tightening and medical-grade facials.

In addition, there is a three person Near and Far Australian Made Infrared Sauna and full body Red Light LED Therapy.

With a well-established client base, 4 beautifully appointed clinic rooms and convenient onsite parking, the business is poised for continued growth.

The clinic is currently supported by an experienced and highly capable clinic manager and a skilled medical team making it a seamless transition for any new owner.

Positioned in a thriving and continually expanding area, there is also great potential for further expansion.

This is a rare opportunity to take over a well-respected clinic with a strong community presence and a reputation for delivering exceptional, results driven skincare treatments.

A business information Memorandum is available under strict confidentiality.
