### Essential Service - Fire Safety & Prevention - Profits \$480,000

If you are looking for a lucrative business opportunity in the essential service of fire prevention and alarms, look no further than this well-established fire prevention systems business located in Cairns City, Queensland.

With adjusted profits of \$480,000 in 2024 (including owner's wage), this business is a solid investment with a state-of-the-art setup. Specialising in supplying, installing, repairing, and maintaining fire prevention systems, this business ensures that client systems are always up to standard, compliant with regulations, and insurance policies remain valid.

What sets this business apart is its commitment to providing the best service, products, and advice for all fire systems and equipment. With a solid customer base and client contracts ranging from 12 to 24 months, several 5 years, there is a steady stream of income waiting for the new owner.

The experienced and qualified staff, along with full training provided by the vendor post-settlement, make this a turnkey operation with plenty of growth opportunities. As an essential service, the demand for fire prevention systems is constant, ensuring the continuation of business for years to come. This opportunity would be a good bolt on for an existing operation seeking to extend and grow their footprint in Northern Qld.

Industry qualifications are recommended to take the business forward. Electricians, plumbers, or builders will have qualifications compatible to upskill and attain the licences while learning on the job.

Don't miss out on the chance to take over this profitable business and become a part of a service that protects and looks after the community. Enquire now to learn more about this exciting opportunity!
