Established Practice in Bayside

For sale exclusively through Medical Business Brokers this practice is a highly regarded podiatry clinic, established by its current owner in 2002. Located in a prime inner bayside suburb of Melbourne. This long-standing clinic offers a rare opportunity to acquire a highly profitable practice with an excellent reputation and a robust client base.

With a reputation for outstanding patient outcomes, associated holistic podiatry & biomechanical diagnosis, the clinic has a strong referral base including GPs and specialist.

- 5 dedicated treatment rooms
- Dedicated electro therapy room
- Dedicated gym and rehab with gait analysis/Biomechanics
- Standalone surgical room
- Large reception/admin area
- Modern designer fit out and strong tangible asset base
- Reputation for leading Biomechanical & Skeletal health
- Strong returns for profitability year on year
- Attached orthotic workshop
- Full time Podiatrist/experienced admin & reception staff
- Long standing loyal patient base (12,000) with strong new patient referrals

The current owner is selling the practice due to lifestyle choices and is committed to ensuring a smooth transition. They are willing to remain for a transition period of up to 3 months post-settlement at current hours (negotiable thereafter) to assist with the handover and maintain the clinic's esteemed goodwill.

Don't miss this exceptional chance to step into a successful, well-respected podiatry practice in a vibrant and growing area.
