

Towing Truck Business for Sale Melbourne

For Sale

Location: **Melbourne**
Asking: **\$240,000**
Type: **Transport/Automotive**

Great opportunity.

With well over 5 million cars in Victoria, it is fact every one of them will be towed at some stage of the cars history.

Cars and the transport of any vehicles and / or machinery is a big business that is forever growing.

The internet and technology cant do the job of a Truck, so the industry is huge and here to stay.

The opportunity comes with a 6 TONNE towing capacity. Huge !!

The Truck is a 2016 Hino. FE7. Tilt Slide. With the best tilting system which is EKEBOL.

Fitted with a wheel lift and fully equipped with all accessories.

Another great feature is the branding that comes with the business.

Which is probably the best known name in the towing business over the years is " TILTAWAY."

The Vendor has also secured for future use, the number 13 TILT.

This business is relatively new and Vendor is only selling due to having 2 other businesses, all taking too much of his time.

The Vendor will offer training and a smooth handover will be offered.
