A license to print money

Highly profitable, with solid repeat business and plenty of insurance work continuing to flow in, this Panel beating and spray painting business is a license to print money.

The shop is well known in the region and has built a fantastic reputation as preferred repairer for both non Drivable repair work and minor panel repairs.

The shop includes well laid out and professionally managed panel beating and spray painting processes and comes with a team of highly trained and dedicated tradespeople.

Perfectly suited to industry players looking for a second local shop or strategic profitable addition to their existing autobody repair business or the perfect way to progress from a hard working tradesman to workshop owner.

All administrative and quoting processes will be easily learned by a new owner who can benefit from this businesses excellent reputation in the industry.

Be quick, small high yielding repair shops like this don't last long.
