Multi Award Winning #5729IN2

Created in 2012, this architectural studio has won several international, national and regional awards and commendations bringing benefits, expertise and know how to directly benefit its clients. Consequently, the studio sits in the top 5 agencies specialising in its segment.

The studio segment encompasses a diverse range of markets, including medium-density housing (The Middle Middle), boutique houses, renovations, terrace houses, and apartment projects.

At the heart of their success lies an approach based on passion for residential architecture, versatility, and a collaborative approach. This approach has resulted in many happy and loyal clients, trusted relationships, and industry acclaim.

Core features:

- * Consistent and excellent sales record
- * Booked out with projects up to 8 months in advance
- * Exceptional net return to a working owner
- * Highly level of internal competencies
- * Talented architects employed
- * Occupying a 129 sqm studio
- * Exceptional reputational status

The acquisition of this leading architectural studio would provide significant benefits in terms of growth, capability and status to an existing business as well as provide a significant entry level opportunity for a new entrant into this market.

Very well priced at \$550,000 + WIP
