

Profitable NDIS & Support Service Business for Sale Perth

For Sale

Location: **Perth**
Asking: **Expressions of Interest closing 29 November**
Type: **Health/Beauty / Services-Other**

EBITDA \$20m Perth WA

An unparalleled opportunity to acquire a highly successful NDIS support and consultancy business with an impressive revenue of \$49 million and EBITDA of \$20.4 million.

This well-established business has a stellar reputation for providing essential services to individuals with disabilities, complex care needs, and children in out-of-home care. The company specialises in supported accommodation, in-home care, and social support, adhering to the highest industry standards. It offers short- and long-term care solutions tailored to clients' needs, ensuring a loyal client base and recurring revenue.

Key Investment Highlights:

Annual revenue of \$49M and EBITDA of \$20.4M with a consistent growth trajectory

Comprehensive service offering in the NDIS and support services sector, providing significant recurring revenue streams

Experienced and well-structured management team ensuring smooth daily operations and strategic leadership

Over 400 qualified and dedicated staff delivering exceptional care, ensuring continuity and scalability

Robust systems, technology, and compliance protocols in place, aligning with NDIS standards and government regulations

Strong client retention, long-term service agreements, and excellent relationships with government agencies

Opportunity for geographic and service expansion, tapping into growing demand within the NDIS framework

With a scalable business model and established infrastructure, this is a prime opportunity for private equity firms, or industry buyers looking to expand their footprint in the high-growth disability and care services market. The experienced management team and a highly skilled workforce of over 400 professionals ensure a smooth transition for any new owner and provide a strong foundation for continued expansion and profitability. The NDIS sector presents immense growth opportunities, making this business perfectly positioned for further expansion and profitability.
