Turnkey business in Inner West Sydney

We are excited to offer a well-established restaurant for sale in the inner west of Sydney, located on a main road with excellent exposure.

This business has been successfully operating for 45 years and includes a liquor license, providing a great opportunity for the new owner.

The restaurant seats 65 people and operates seven dinners and two lunches each week. A new lease is available, ensuring stability and continued growth.

The current owner is retiring, leaving behind a thriving business with a loyal customer base and strong community presence.

This is a rare opportunity to step into a profitable restaurant with a rich history and plenty of potential for future success.
