A strong performing restaurant in the North Ipswich region with a loyal customer base

Rashays at North Ipswich has been operating since 2019, and has been offering an excellent menu enjoyed by locals. The restaurant has been under management via a multi-site franchisee - who has an experienced team looking after the daily operations. This business has potential for an owner/ operator to take it to the next level. Weekly sales have been very consistent, with a good return being delivered - even under full management. The business is also part of the franchise group of Rashays, and is well supported both in operations and marketing. The restaurant chain have been busy finding new locations right across Australia. This opportunity at Ipswich offers a budding entrepreneur or business partnership the opportunity to be fully supported by a franchisor who wants to see you be successful. This is a well priced business and worth taking a look. Contact Pradeep today to find out more.
