Longstanding Reputation!

LINK Business Brokers Brisbane are proud to present to the market this excellent acquisition opportunity which was established in 1975 and under the current owner's management since 2015.

With a focus on quality craftsmanship the business manufactures custom shadehouse designs tailored to meet individual customer specifications, including various colour options, with the added option of flexible delivery and on-site installation. In addition to shadehouses, the business also offers a variety of products suitable for nurseries and homes, including plant stands pot holders, shelving and pet enclosures.

Servicing a broad area across Southeast Queensland there is significant growth opportunities in the gardening and nursery industry with rising demand for gardening products, accessories and equipment. Currently there is no pro-active online presence, however, enhancing the website and establishing social media profiles will only add to the profitability which has so far been as a result of word-of-mouth and a loyal customer base.

Already enjoying a loyal customer base this is a unique opportunity for a new owner to infuse fresh energy into this already profitable and growing business.

Priced at only \$195,000 + SAV (plus any applicable Work in Progress) and offering an attractive return on investment this remarkable opportunity won't last long!
