Established Sydney Plumbing & Electrical Maintenance Business - \$5M+ Revenue CSBB8310

- 30-Year Legacy, Strong Brand Recognition, Diversified Income Streams, and Robust Systems
- Consistently profitable with returns above industry average
- Comprehensive service coverage across all Sydney suburbs, catering to both B2C and B2B clients
- Includes long-standing scheduled periodical works and service agreements
- Diversified client base, covering residential, strata, business, charity, government, and education sectors
- Industry-leading systems and processes, with continuous performance tracking across all aspects of the business
- Skilled management and dedicated staff, supporting 24/7 service with office hours from 7 am to 5 pm, Monday to Friday

This is a rare opportunity to acquire a well-established and reputable plumbing and electrical services business in Sydney. Established in 1988, the business has grown significantly, demonstrating strong brand recognition and benefiting from diversified income streams.

With a track record of regulatory compliance and immaculate record-keeping, this business has been built to endure and grow further.

A robust cloud-based job management system supports daily operations, and a well-structured organisational framework positions the business ideally for future growth.

An experienced team, a clear structure, and a strong vision drive consistent, above-average profitability in all areas of service across Sydney suburbs.

The current owner is committed to supporting a smooth transition.

The sale is strictly confidential. Interested parties will be required to sign a non-disclosure agreement to receive detailed financial information.
