Currently run successfully on an Air B&B basis, further marketing and promotion will guarantee business growth.

This excellent underutilised site is poised to grow with onsite owner participation. Currently run successfully on an Air B&B basis, further marketing and promotion will guarantee business growth.

Already used by a variety of groups including schools, conferences, weddings and church groups your imagination will be the only impediment to future success.

Situated on a beautiful Aussie bush site on a major highway within 2.5 hours of Melbourne and surrounded by decent-sized regional towns. The property has a State forest on one boundary with a myriad of local and historic attractions nearby.

The onsite accommodation currently sleeps 50 but by simply adding more beds in the generously sized rooms which are accessed from a central corridor, the site and facilities would comfortably accommodate up to 100 guests.

The accommodation building is constructed in mud brick so has excellent insulation and soundproofing and as a bonus has automatic solar-generated heating throughout.

There is a dining room, commercial kitchen, large multipurpose hall/recreation room and a recently renovated and updated church that seats 75 plus, which is perfect for a multitude of uses.

The asking price is \$1,200,000 which is well below the replacement cost.
