Type: **Services-Other / Agriculture/Hort/Aquatic**

This is an essential service relied on by local and surrounding communities

2024 Revenue \$3,655,203 with significant increase in profits.

This is an essential service relied on by local and surrounding communities, independently owned, and now available for sale providing a solid income and an enviable work / play lifestyle in the sun!

With a revenue growth of 11.13% in 2024, this business is on the fast track to further success.

Specialising in Pumps, Irrigation, Plumbing, and Filtration, this business caters to domestic, commercial, and agricultural sectors, offering a wide range of products and services.

Main benefits:

- * Conveniently located on a main street in a stand-alone building.
- * Ideal lifestyle / work ratio / 5 days a week
- * No experience in the industry necessary for a new owner
- * Good business acumen only skill required
- * The skilled, long-term employees handle all day-to-day operational aspects
- * The current owner would be pleased to remain and continue work in the farming sector of the operation
- * The team design, supply, install, and service systems tailored to client needs
- * A significant secondary income stream is the retail of parts and equipment, anything large or small associated with maintaining water systems and equipment - commercial or domestic
- * Full training will be provided to ensure a smooth transition for a new owner

Key services offered include irrigation systems, pump systems, rainwater harvesting, firefighting equipment, filtration, solar-powered pump solutions, and more. With a QBCC License in hand, this business is well-equipped to meet all water and waste management needs.

Don't miss this opportunity to own a thriving business with growth potential and valuable resources at your disposal. Take the next step towards business ownership and enquire today!
