Established Specialist Business

Rare opportunity to take on established Franchise business with Fancee Car in Riverwood area. Fancee Car has grown to become one of Sydney's most trusted car customisation specialists over last 10 years. Fancee Car is a rapidly growing car customization company based in Australia, specialising in a variety of services, including wheel and brake caliper resprays, window and light tinting, paint protection, ceramic coating, and full car vinyl wraps.

Here are some key points about Fancee Car:

Franchise Opportunities: Fancee Car offers franchise opportunities across Australia, providing comprehensive training and support to new franchisees.

Proven Concept: They have a successful business model that has thrived even during challenging times like interest rate hikes and the COVID-19 pandemic.

Client Base: New franchisees start with a full pipeline of clients, benefiting from Fancee Car's established network and reputation.

Support: They offer ongoing support, including weekly check-ins, marketing assistance, and help with finding staff.

Fair Fees: The franchise fees are designed to help franchisees grow their business without breaking the bank.
