Independent Tile and Bathroom Retailer | Two Stores

Founded in 2007, this long-established retail business offers a wide range of bathroom products and tiles and has built a solid reputation for quality and competitive pricing.

With two strategically located stores for sale the business is managed by a skilled, autonomous team with minimal involvement from the owner, strong supplier relationships and membership in a buying group.

The efficient management structure allows for flexibility and smooth day-to-day operations, though there is potential for a more hands-on approach from the new owner to further drive growth with the current owner selling due to the challenges of managing the business remotely and seeking a purchaser to build on the business's strong foundation and growth potential.

Priced at only \$225,000 plus Stock at Value (estimated at \$350,000) for both stores and offering an attractive return on investment this remarkable opportunity won't last long!
