Organic Growing | Home Based Business | Aus Wide

LINK Business Brokers Brisbane are excited to unveil a remarkable opportunity in the Australian fertiliser sector - an industry-leading business that is now for sale for the first time. After 30+ years of successful operation, the owner is ready to retire.

This business would ideally suit an existing company looking to expand their product range.

Key Highlights of the Business Opportunity:

- Low Overheads: Operate seamlessly from a home office while outsourcing distribution across Australia, utilizing a 3PL structure that simplifies management and allows for flexibility in operations.
- Ethical Standards: The product adheres to stringent ethical farming standards and comes with an exclusive contractual agreement with the supplier, granting exclusive rights for distribution throughout Australia.

Impressive Financials:

- Revenue for 2024 exceeds \$3.5 million.
- Seller's Discretionary Earnings (SDE) for 2024 are approximately \$1.2 million.
- Excellent trading terms with no cash flow issues.

Growth Potential:

This business not only offers genuine scalability but also presents significant growth potential. With a market-leading product backed by decades of research, it meets organic certification requirements, ensuring its appeal in a competitive market. The strong supply chain relationships further enhance its viability.
