Successful Construction Business and Franchisor Company

For sale via Expressions of Interest.

This unique opportunity incorporates two businesses in one - a successful residential construction business and the franchisor company with three established franchisees.

Offered for the first time these established and highly reputable businesses operate in the booming residential construction sector in South East Queensland. With a solid and growing base this well run operation offers outstanding growth prospects for an astute Buyer.

Key Features:

- Attractive standardized designs easily tailored to Client requests
- High quality marketing and digital presence
- Attractive walk in display centre and office in central location
- Excellent business management systems
- Full training and on-boarding assistance by Owners
- Outstanding growth opportunity
- Profitable well run construction business
- Well structured franchise network in place
- Durable diversified business model
- Fully QBCC licensed and compliant
- Genuine reasons for sale

This opportunity will suit either an existing building company looking to expand by acquisition or a suitably qualified builder ready to take the next step in their growth journey.
