Doyle & Shields was built on service, a tradition that continues to this day with their new workshop facility and completely renovated showroom.

Being Established over 50 years makes this by far, the best Motorcycle business in the whole of Gippsland.

Sales of over \$3.5 million per annum, with a NET of well over \$350,000 per annum. +++

Doyle & Shields was built on service, a tradition that continues to this day with their new workshop facility and completely renovated showroom.

They are constantly upgrading areas of their facility to keep up with the growing opportunities presented by new technology.

This is your chance to own a highly profitable Motorcycle business in Bairnsdale Victoria 3875.

With over 50 years of successful operation, it offers a large range of new and used motorbikes such as Yamaha and Honda with a great selection of riding and safety gear.

Also providing multiple services, a huge range of spare parts and finance options to their loyal customers.

All business systems are already in place, and a good training period will be offered by the owners to ensure a seamless transition for the purchaser.

This business is in Bairnsdale and has a customer base off around 100 Kilometres radius and is very highly patronised constantly.

A large part of revenue is the highly profitable area, specialising in selling secondhand motorbikes.

The owners are now past retirement age and would like to turn this successful business over to a younger person with a new outlook.

Bairnsdale is situated in East Gippsland and is a thriving large town which provides everything you would expect from a regional town.

In the town there is a hospital, specialists and colleges, and 3 beautiful rivers run through the town.

The seaside of Lakes Entrance not far away, so a sea change, fishing, surfing and boating is all at your doorstep.

This is your opportunity owning a top business with a great income.

Just put on the Market for the first time.

Takings \$3,500,000 per annum.

Profit is well over \$350,000 per annum.
