### One Butcher Town. T/O \$1 million. No Competition

We are thrilled to present a long-established butchery with no direct competition in a growing town of Northern Tasmania.

Main St Meats and Deli has been operating circa 30+ years and it is the only butcher in George Town.

Current owners have made a difficult decision to sell due to their young family.

With established suppliers network in place, this business is a goldmine for any operator.

Retail business ceased since Oct 2024 due to staff shortage and current owner being very busy with the wholesale arm.

New owners could start retail again by employing staff.

Full training and handover will be provided to the new owners and introductions will be made.

This business specialises in the array of meat and deli products. Highly popular among locals for sausages, burgers, black pudding, ham and marinated meats.

Current owner caters for around 30 wholesale customers. An extensive list of plant and equipment is included in this opportunity.

Nominal rent and a long lease until Feb 2037.

If you want to buy only retail business, the asking price is set at offers over \$74,000+sav.

Both wholesale and retail can be purchased together for offers over \$149,000+sav (ranges between \$15,000 to \$20,000).

Whether you're an experienced butcher or an entrepreneur seeking a profitable venture, this opportunity is not to be missed.
