Step into the world of garden machinery with this well-established business located in the picturesque Blue Mountains of New South Wales.

With over 30 years of history, this business is a staple in the local community and is now ready for a new owner to take the reins.

Immerse yourself in the world of ride-on mowers, push mowers, chainsaws, and more with this diverse range of products and services. The spacious repair area is equipped to handle all types of mower repairs, making it a one-stop-shop for all gardening needs.

The owner has currently injured his arm so is not able to repair ride-on mowers and there is much more extra income to be achieved in this area of the business.

Don't worry if you're not a licensed mechanic - basic knowledge of lawn mower repair is all you need, and complete training will be provided to ensure a smooth transition. Take advantage of this unique opportunity to own a business with a solid reputation and loyal customer base.
