

For Sale

Location: **Melbourne**
Asking: **\$1,540,000**
Type: **Health/Beauty**

A rare opportunity

Make the most of this rare opportunity to acquire a thriving Physiotherapy business servicing NDIS funded clients in the mobile capacity across the Melbourne area. With an owner who has no clinical involvement in the business and a strong clinical team backed by assets including a vehicle fleet, this business is the perfect opportunity for those seeking to expand their NDIS services, grow an existing Allied Health model as well as bolt on to their existing service entity.

With all the systems in place and great scope for future growth in a range of directions, this business offers an excellent acquisition opportunity.
