Type: **Manufacturing**

An exceptional opportunity

An exceptional opportunity to acquire a well-established and highly profitable manufacturing business providing machinery and parts for the mining and resources sector. Operating for over 14 years, this business has built a strong reputation for delivering high-quality, specialised equipment to mining operations worldwide.

Highlights

- Strong order book with over \$6.7M confirmed for 2025 and an additional \$5.6M in forecasted orders
- Strategically located in Australia, benefiting from excellent transport and export links
- Global client base, with 80% of revenue generated from international sales across Africa, South America, - North America, and Asia
- Established manufacturing process, with imported components assembled and tested on-site
- Experienced team in place, ensuring seamless operations and product reliability
- One of only two leading companies in this niche sector, holding a strong competitive position

With long-term client relationships and a scalable operation, this business is primed for continued expansion. The current owner is open to an agreed transition period, ensuring a smooth handover and supporting new ownership in maximising growth opportunities.

Serious buyers seeking a highly profitable, scalable, and internationally recognised business are encouraged to enquire today.
