A rare opportunity to acquire a highly regarded electrical and data contracting business

Recognised for its expertise in a niche and resilient sector. Established for over 20 years and based in South East Queensland, the business plays a pivotal role in supporting critical infrastructure, with a robust pipeline of secured projects and service agreements with leading organisations.

Key Highlights:

- Established leader in a specialised and high-demand industry
- Over 20 years of proven performance and industry expertise
- Service and project contracts with blue-chip clients
- Strong pipeline, underpinning sustained growth and revenue
- 2024 revenue exceeding \$13 million with EBITDA margins of 28%
- Skilled and expanding workforce, ensuring seamless operations and future scalability
- Multiple growth initiatives in advanced stages of discussion

Situated in South East Queensland, one of Australia's fastest-growing regions, the business is strategically positioned to benefit from the area's infrastructure boom. With substantial government and private sector investment planned, demand for specialised electrical and data services continues to rise.

The business is well-placed to capitalise on this growth, with established industry relationships, a proven track record, and a scalable operational structure that supports expansion into both existing and emerging markets.
