Premier business

A Rare Opportunity to Own One of Australia's Most Reputable Skin Clinics.

This prestigious skin clinic has built an exceptional reputation, recognized as one of the best in the country. Its financial success reflects this standing, offering an outstanding investment opportunity.

High-Profit Business with Minimal Overheads

- * Net profits \$500,000 for FY2024, with 2025 tracking even higher.
- * Multiple revenue streams: premium treatments, high-margin retail product sales, and rental income from two sub-leased spaces.
- * Purpose-built, high-end facility: Strategically located on a prime corner site, designed by the current owner just seven years ago.

Exclusive Market Position & Growth Potential

- * Minimal competition no other clinic in the region matches its calibre or reputation.
- * Strong client demand for advanced skin treatments and medical aesthetics.
- * Huge growth potential with opportunities to introduce laser technology and advanced medical skin therapies to expand services and attract a broader client base.

Comprehensive Treatment Offerings

- * Custom Facials
- * Advanced Acne Relief Treatments
- * Synergie Medi Facial & Professional Peel
- * Dermapen Custom Facial Treatments
- * Osmosis Revitapen Pro
- * Dermaplaning & DP Signature Treatments
- * Glow Enzyme Treatment
- * Neo-Lifting Sculpting Facial
- * IPL Treatments

Seamless Ownership Transition & Training Support

The current owner is committed to ensuring a smooth and successful transition for the new owner. To facilitate this, they are offering:

* Continued presence in the clinic during the handover period, completing existing bookings and maintaining continuity for loyal clients.

* In-depth training on all treatments and clinic operations, ensuring the new owner or team is fully equipped to maintain the business's high standards.

* Comprehensive guidance on product sales and supplier relationships, maximizing retail revenue opportunities.

* Support in business strategy and client retention, helping the new owner maintain the clinic's strong reputation and financial performance.

This level of ongoing support ensures minimal disruption, client confidence, and a seamless transition into ownership.

Asking Price: \$700,000 + Stock
