Home based Wholesale Industrial Tool Supply Business Exclusive Supplier Agreements Profitable & Easily Relocatable

A rare opportunity to acquire a highly profitable industrial tool distribution business with exclusive supplier agreements from leading European manufacturers. This well-established Brisbane-based business can be relocated anywhere in Australia, offering flexibility and scalability for the right buyer.

Key Highlights:

Profitable & Established Over 25 years of operation with a strong reputation and consistent revenue.

Exclusive Supplier Agreements Sole Australian distributor for premium European brands, ensuring a competitive advantage.

Loyal Customer Base Established distributor network across QLD, NSW, VIC, and WA, supplying industries such as engineering, construction, fabrication, and manufacturing.

Work-from-Home Model Operates from a low-overhead, home-based setup with efficient systems in place.

Strong Financials High gross profit margins, with a projected PEBITDA of \$251,518 for 2024.

Streamlined Operations Orders are primarily email-based (75%), with minimal phone inquiries and an integrated inventory management system.

Growth Potential Opportunities to expand into new industries, increase online sales, and grow the distributor network nationwide.

Flexible & Easily Transferable Can be operated from anywhere in Australia, making it ideal for an owner-operator or an existing business looking to expand.

This business presents a turnkey opportunity for a savvy investor, owner-operator, or existing industry player looking to acquire a well-established and scalable business in the industrial supply sector.
