Well-Established Repair Shop/Workshop. 22 Years of Excellence

Are you interested in owning a well-established and reputable automotive workshop?

With over 22 years of experience, this modern and impeccably presented workshop offers a range of services, including logbook servicing for various makes and models, fleet servicing, comprehensive mechanical repairs, transmission servicing and rebuilds, as well as DCT clutch and mechatronic replacements.

The workshop has formed a strong partnership with a respected global brand in the automotive industry, earning a stellar reputation among both retail and trade customers. It also benefits from referrals for specialised work from local businesses, providing a solid foundation for future growth.

Key highlights include:

Long-standing reputation: Over two decades of service, known for reliability and trust.

Specialized services: Expertise in mechanical repairs and transmission services.

Strong partnerships: Collaboration with a reputable global brand, enhancing market presence.

Growth potential: Opportunities for expansion through increased marketing and staffing.
