### Investment Opportunity: Wholesale Business

Are you ready to invest in a thriving wholesale building and construction materials business? Look no further! This prominent business is a key player in the industry, importing, wholesaling, and retailing commercial building and hardware products.

With a revenue of \$25.82 million in FY24 and an average Ebitda of \$2.76 million over the last 3 years, this business has a proven track record of success. Operating for over 14 years, it has established a strong east coast distribution network and holds national supply agreements with major hardware retailers and building material suppliers.

Specialising in products for civil and commercial products and a focus on scaffolding, concreting, and bricklaying trades, this business is well-positioned for growth and expansion. With a dedicated and experienced management and sales team in place, the business is primed for further success.

Don't miss out on this incredible investment opportunity. Take the next step towards securing this established and profitable wholesale building and construction business!
