Type: **Transport/Automotive**

A rare opportunity

A rare opportunity to acquire a highly systemised, profit-generating automotive workshop with in-house engine reconditioning capabilities a point of difference that sets it apart from typical mechanical service operations.

Located in a high-growth corridor of South East Queensland, this business has carved out a strong reputation across both retail and trade clients. With multiple revenue streams, long-standing staff, and minimal reliance on subcontractors, this is a turnkey operation with all the infrastructure and digital systems in place to scale.

Investment Highlights:

- * Specialist in engine reconditioning and machining (fully in-house)
- * 15+ year trading history with solid repeat customer base
- * Approx Turnover \$1,200,000
- * Diverse income: mechanical, engine rebuilds, trade, fleet, tyre services
- * Team of experienced technicians & streamlined daily operations
- * High workshop capacity (multiple hoists, machine room, dyno, tyre bay)
- * Positioned in a thriving growth area with strong vehicle density
- * Owners retiring handover support available

Suited to: Trade-qualified operators, growth-minded investors, or automotive business groups seeking bolt-on acquisitions.

To maintain confidentiality, further information will only be provided upon execution of a Non-Disclosure Agreement (NDA).
