Varied product ranges including fresh pasta, ready cooked & packaged meals, sauces, jams and chutneys.

We are proud to offer one of the BEST business opportunities we've seen in a long time! This business has grown & evolved with varied product ranges including fresh pasta, ready cooked & packaged meals, sauces, jams & chutneys.

The business is facing new opportunities for profits to increase dramatically in the next 12 months with the new & rapidly expanding VEGAN range.

The business presents a WIWO with structured systems & operations tried & tested over many years.

The extensive product range caters for sales through a large network of distributors, restaurants, caterers or direct to the public through the purpose built retail outlet at the front of the building.

Less than 7 employees required to run & operate the business and utilizing existing staff and the state-of-the-art equipment, the business can handle further large increases to production.

The self-sufficient staff are totally capable of running & maintaining the operations independently offering a semi or fulltime management opportunity.

Our owner is transitioning towards retirement & is spending more time away from the business, so it is expected that a focused & driven owner could achieve greater sales & improved profits.

KEY FEATURES:

- Business is experiencing steady profitability
- Adjusted Net Profit \$250,000 (approx)
